The busiest city in the Eastern Asian

Sazit... It's still very bright outside.
Koto... You're so lovely.
OVER THERE, THERE'S A COUPLE WHO'S WORN OUT BY THE LONG JOURNEY.
The sky will get dark very soon, so there's nothing to be shy about, you're very beautiful.
We need to buy a curtains first, and my favorite color is blue

Also...

Sazit already return to shanghai?
Is he there yet?
I think so.
La La
They've escape together?
Did you look clearly enough?

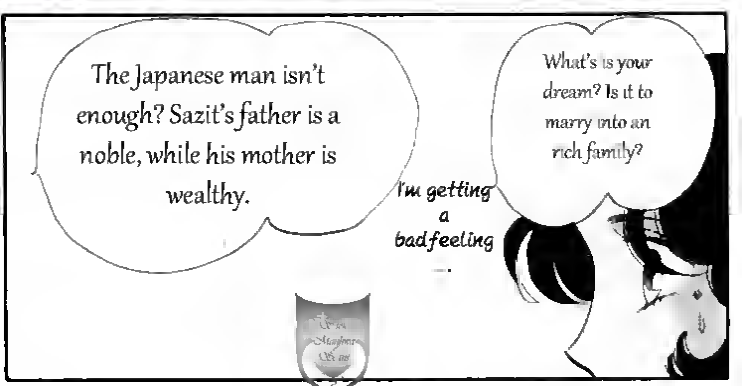
All of us is are in the British army.
I'm sorry miss we're, Sazit's friends

Grand Hotel
Can't believe they saw us.
All of us were born in India,
but got educated in England.
Last year when Sazit escape to Shanghai,
he told me to go there with my girlfriend too.
He never needed anything including money or women.

Of course! Since long ago Indian boys have been famous for always wining Because of love they'll do anything
You guys are so romantic
Sazit is too straight forward
Leslie that's not true right now I only want her.
We have to help India fight the British. Right now we're too weak
Jay?
You shouldn't just think about love
Men... When they're drunk they'll always talk about politics in every country.
Do you know how many Indian have been a victim to the British people
We're just being patience remember no violence.

Do you understand what they're saying?
I'm also drunk now...
So you won't be able to understand Indian language either.
I'm not that good at English so I don't understand much.
Thank God there's also another girl here.
Ah...
Right.



The Japanese man isn't enough? Sazit's father is a noble, while his mother is wealthy.
I'm getting a bad feeling...
What's is your dream? Is it to marry into an rich family?

Huh?
In Japan I'll secretly designed and sew my own clothes in the meanwhile I'll also had some British customers
My dream is to become a seamstress who sows dresses
Maybe I'm hearing things now
You're already wife but you have no shame. Can't believe you escaped with a man with from a different race.
In my eyes you have no manners.
What he needs is a girl who can go through every hardship with him.
Your only good point is your beauty but soon he'll forget that.
You'll ruin his career.
To him you're nothing because you're just a hindrance

Dizzy
If I can be with Sazit, I could do....
Koto?

She lives her life like that, before she wanted to be reporter to help others,
but because of her family she has to marry a man whom she doesn't love

He's a person who sell drugs. We match well right?

I really envy the two of you,

What you two did can't be forgiven
I finally realized it when the two of you appeared
She can abandon everything and go with the person she loves
And me....
But the two of you looked like angels
Spreading your happiness everywhere

I chose to get married and Jay,
